

## WEEK 8 | HOME CONNECT

### I Will Build With Others

#### TALK TOGETHER

**SAY:** We're in week four of our series "Brick by Brick!" Let's see if we remember who the main character of our Bible story is? (Moses) Great! Now, before we get started, let's share what our favorite thing is to build with Legos! (be sure to answer for yourself)

#### READ TOGETHER

**SAY:** Last week we learned that the Israelites argued with Moses as they continued to wander in the desert for 40 years! When God gives us directions, there's always a good reason! He never does anything to be selfish, and he never wants to hurt us! Great! Let's check in to Moses' life again and see what God does! (Read Joshua 1:1-9 or Click on the Link: <https://www.youtube.com/watch?v=vqhPOd0JxBs&t=68s>)

#### PREK/KINDER QUESTIONS

1. Did Moses lead the people into the promise land or Joshua? Joshua
2. Did God tell Joshua he had to lead the people alone? No! God said He would always be with Joshua.
3. Did Joshua listen to God? Yes!

#### ELEMENTARY QUESTIONS

1. Do you have someone in your life that you learn a lot from? (allow kids to answer, give an example yourself) It's important that we don't do things alone! God wants us to follow him, and to follow him with our friends! It's a lot easier to follow God with others helping you along the way!

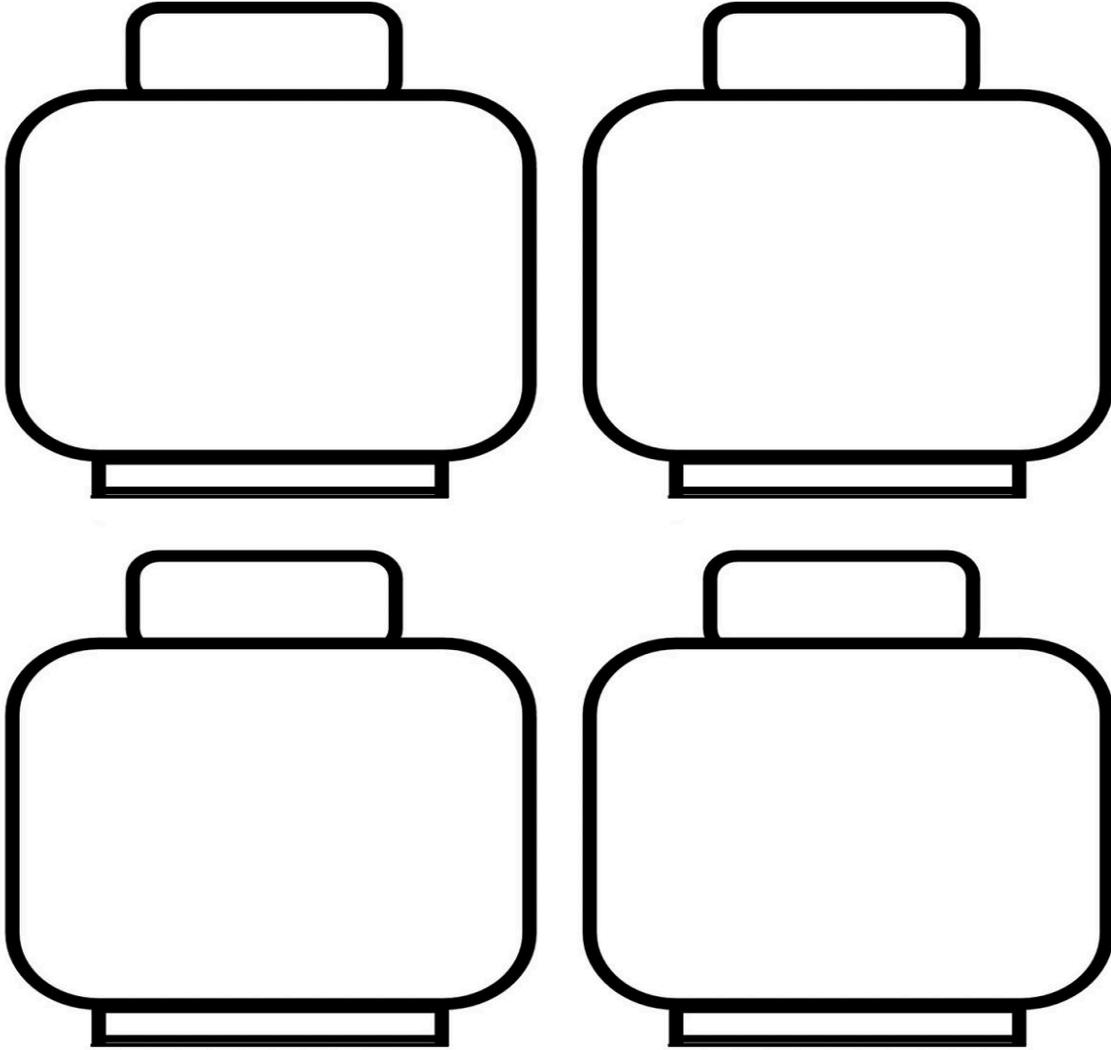

**SAY:** Today's story was awesome! Moses passed on his leadership to Joshua, who got to lead the Israelites into God's promised land! Moses and Joshua worked really closely for a long time- Joshua probably learned a lot from Moses!

## PLAY TOGETHER

**SAY:** Now that we know how important it is to build with others. Let's think about who we can invite to Church or share about Jesus. Use the mini-figure face templates below and draw a couple people you could do this with. Write their names below and we will pray for them this week!

## PRAY TOGETHER

**WEEKLY CHALLENGE QUESTION:** Having friends that love Jesus is really important, because we don't want to do it alone! This series has been so much fun! Remember, God is the Master Builder, and the best way to follow God is with friends who follow God too!

Dear God,

Thank you for making us. Help us to be intentional in asking and caring for those we would like to invite to Church and share Jesus with! We love you! In Jesus' name, amen!
